Gossip and Comment on the Week's Theatrical Events

"Colleen Moore in "We Moderns"

BRITISH SMART SET DESTINED TO "FALL"

Post-War Days Seen To Exert Degeneration On The People

According to Israel Zangwill, noted British author and playwright, English society is going to smash. In his play, "We Moderns," which comes to The State Theater in its film form, Zangwill tries to prove that the war has been too much for London's better set and that it has disintegrated into something too advanced for the general social health of the nation.

The Intellectual Idiots.

One of the unusual forms into which this post-war hysteria has carried English society is the "Blue Bohemians," a group of intellectual idiots who are in a state of perpetual intoxication as a result of their own fermented ideas. Colleen Moore portrays the part of a young English girl who is almost carried away by this surge of insanity until happily rescued by a man she would have wed when he proposed to her. Miss Moore is surrounded by such universally liked talent as Jack Mulhall, Carl Miller, Claude Gilingwater, Clarissa Selwynn, Cleve Moore and others.

THE BEAUTIFUL CITY SUITS EVERY TASTE

A Little Of Everything Will Be Found In Sunday's Bill

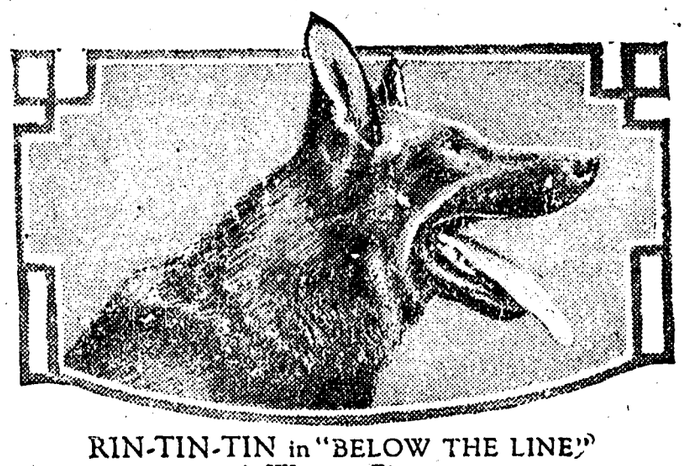
The tastes of movie patrons are varied. Some like romance; others revel in sensational thrills; still others prefer a bit of human life.

It Will Please All.

All of these classes will find satisfaction in "The Beautiful City," Richard Barthelmess' latest starring vehicle, which is coming Sunday to the State Theater for a single day engagement.

Well Balanced Cast.

The star's leading woman is Dorothy Gish, others in the cast being William H. Powell, Florence Auer and Frank Puglia. For romance there is a tender love story of an Italian boy for an Irish girl. For thrills there are gang feuds, a man leaping to his death from the top of a tall building and a battle in a Chinese theater. For human interest there is a cross-section of metropolitan life which is seldom used by authors and dramatists, but which, nevertheless, is gripping and intriguing.



RIN-TIN-TIN in "BELOW THE LINE"
A Warner Picture

RIN-TIN-TIN IS SEEN IN THE CROCODILE'S LAND THIS TIME

Fondness For A Dog Is Surpassed By The Love The Owner Has For A Girl Chance Causes Him To Encounter

"Below the Line," the new Rin-Tin-Tin picture that comes to The State Theater Sunday is the story of a snarling, vicious dog, made loyal and fine through the tenderness of a village boy who loves him.

Way Down South.

In this picture, "the wonder dog" moves from the frigid backgrounds of "Where the North Begins" and "Tracked in the Snow Country" to a Southern locale, where dangerous crocodiles lie in the swampy slime and bloodhounds are used to track fugitives from justice.

The picture is a clever adaptation by Charles A. Logue of his own story, "Tracked in the Snow Country." John Harron appears as the boy whose love for the dog is the central theme of the story, and June Marlowe, as the girl whose love for the boy awakes a response that finally eclipses even his love for the dog. Others in the cast are Pat Hartigan, Victor Potel, Charles Conklin, Edith Yorke, Gilbert Clayton and Taylor Duncan.

A Great Dog Act.

The biggest thrill of the picture is said to come when Rin-Tin-Tin faces a pack of bloodhounds and fights them ferociously to save the lives of the hero and heroine. Like the other Rin-Tin-Tin pictures, "Below the Line" is a Warner Bros. Classic of the Screen.

FRED THOMSON AND "SILVER KING" COME

Monday To Find Them At The State In A Comedy-Drama

Sparkling with the touches which are fast coming to be associated in the public mind with Fred Thomson productions alone, "All Around Frying Pan," the latest picture featuring the western luminary and his wonderful horse, Silver King, comes to The State Theater Monday. The Alturas Round-Up, one of the most famous cowboy rodeos in the country, was filmed as the background for part of the action of "All Around Frying Pan," and Thomson was an actual entry at this event, competing with some of the greatest riders in the world.

Much To Laugh At.

The picture is a strong melodrama heavily loaded with comedy, and the Round-up scenes make it really two big shows in one. Fred's exhibition of bucking on Silver King (and how that horse can "Sidewind," "Sunfish" and "Swap ends!") is a masterly piece of horsemanship and certainly ranks high in any equestrian league.

Action Is The Keynote Of Talmadge Picture

Melodrama which rolls to a powerful climax, stunts that only Dick Talmadge could do or would be daring enough to undertake, and a thorough leavening of rattling good comedy are the ingredients which go to make up "The Wall Street Whiz," latest starring vehicle for the renowned "King of Stunts." A highly amusing story, which deals with the adventures of Richard Butler (a very appropriate name), a wealthy young man who takes the job of butler in a wealthy family, carries the star and an elegant supporting cast along with smoothness and speed. Marceline Day, Belle Bennett, Lillian Langdon, Dan Mason and Carl Miller take the most prominent roles, and all of them acquit themselves with great credit. "The Wall Street Whiz" will have its opening performance here Wednesday evening, December 23, at The State Theater.

"THE DARK ANGEL" STARS NEW BEAUTY

Find Of A Producer In Far-Away Budapest Is Fine Artist

The State Theater is offering its patrons tonight George Fitzmaurice's picture, "The Dark Angel." "The Dark Angel" is easily one of the most captivating of the many successes to the credit of Fitzmaurice. It is a modern love story replete with thrills and lavishness.

New Beauty Seen.

The leading man role, that of Hilary Trent, is in the hands of Ronald Colman, who is seen at his very best in this military role. Opposite him in this, his first American screen play, is Vilma Banky, the fascinating artist recently brought from Budapest by Samuel Goldwyn under long term contract. Her beauty, grace and high order of dramatic talent are unquestioned, and Fitzmaurice has given her wonderful opportunities to display these qualities to the best advantage.

Photography Is Beautiful.

Natural color photography is judiciously used to emphasize certain episodes, thereby increasing the fascination. Thrilling fox hunts, battles staged with astonishing technique and of almost unbelievable magnitude, are intermingled with tender love passages, heart-breaking tragedy and fantasy. All in all, "The Dark Angel" is great entertainment. The supporting cast includes Wyndham Standing, Frank Elliott, Florence Turner, Helen Jerome Eddy, Charles Lane and other notable artists.

Robt. Austin, popular head of the Pacific Telephone & Telegraph Co. here, was quail hunting in Round Valley last week and reported fair luck.

Mr. and Mrs. A. D. Shortt left Thursday for San Francisco, intending to remain in the city until Saturday when they took the Union Pacific railroad connections east to New York City. Mr. and Mrs. Shortt will be absent until after the first of the year.

Deed Wimmer, cattleman of Willits, was in the city the first of the week.

Mr. and Mrs. John Wilson were in the city from their Bonnie Brae orchard home above Calpella Thursday last.

Irene Rich

DRAMA OF WIVES IS OF LITTLE MOMENT!

"The Wife Who Wasn't Wanted' Has A Lot Of Real Action

The problem of wives who have ceased to be of any importance in their husband's lives is faced in "The Wife Who Wasn't Wanted," the Warner Bros. Classic of the Screen which comes to The State Theater next Tuesday. This story of Gertrude Wentworth James, hits the problem in one of its most conspicuous instances, that of the wife of an aspiring politician.

Shows How Things Happen.

How home and politics are swept together into a web of adventurous intrigue makes for a thrilling, dramatic entertainment, according to all reports. Irene Rich, Huntly Gordon, John Harron, Gayne Whitman and June Marlowe head the cast, which includes George Pearce, Edward Piel, George Kuwa, Jimmie Quinn, Gertrude Astor, Elinor Fair, Don Alvarado and Wilfred Lucas. This was the first script to be prepared by Bess Meredyth under her new contract with the Warners.

HAVE A DAUGHTER

The home of Mr. and Mrs. Carl Lambert, of Suisin, was made happy early last week by the arrival of a baby daughter. Mrs. Lambert will be favorably remembered as Miss Miriam Broaddus, of Ukiah.

Personal Mention

Mr. and Mrs. Henry Egliht have been compelled to leave Ukiah due to the fact Mr. Egliht has been transferred to the San Francisco office of the Shell Oil Co., with which corporation he has been connected locally some time. Mr. Egliht proved himself to be an excellent baseball pitcher and was strong with all the fans while here.

Robt. Duncan, former district attorney of Mendocino and now a leading San Francisco lawyer, was here most of last week on professional matters.

Mr. and Mrs. A. E. Robertson, of Hopland, were shopping here Thursday.

Harvey Reynolds was in the city from his coast home Thursday last.

Chautauqua Popular At Covelo—Was A Success

(Special Correspondence of The Press)

COVELO, Dec. 15.—Mrs. George Upton was called to Petaluma last week by the death of her mother.

Mrs. Wm. Walker, of Willits, spent last Sunday with her parents, Mr. and Mrs. George H. Ells.

Miss Syetta Thomson came up from San Francisco Saturday to spend the holiday season with her parents, Mr. and Mrs. Enoch Thomson. She was accompanied by her cousin, Miss Theresa Lovell.

Harold Tuttle is home from the State Agricultural College at Davis for the mid-winter vacation.

The two Sunday schools are busy with rehearsals for the Chrismas program. A union meeting will be held in the school auditorium on Christmas eve.

The dance committee will give a masked ball Christmas night in the auditorium, thus following a time-honored community custom. Another dance is scheduled for New Year's eve.

PREVENTION

Medical science acknowledges that cod-liver oil is invaluable to prevent rickets, weak-bones or other forms of malnutrition.

Scott's Emulsion

CAME TO AID FATHER

Mrs. Mabel Hirsch Forbes arrived in the city Wednesday and will remain some time. Mrs. Forbes came here as soon as she was acquainted with the accident which had overtaken her father, B. S. Hirsch, who severely injured himself by a fall at the Louis Hofman home.

Miss Margaret Cox is home from college to pass the Christmas holidays with her mother, Mrs. Bessie Cox.

The winter Chautauqua Festival was put on for the third time in Covelo without financial loss to the guarantors. In fact, enough money was realized from the three performances to help provide permanent fixtures for the stage. A number of curtain wings were made by G. F. Goertz, a local resident, which make a most attractive addition and fill a long-felt need. Forty-six citizens signed as guarantors for next year's Chautauqua, the largest number that has yet backed the enterprise.

Augusta Chapter, O. E. S., held a special meeting Friday evening for the purpose of initiating two candidates. After the initiatory ceremony was over those present enjoyed coffee and tamales and an hour of social converse. The installation of the new officers will not take place until after New Year, on account of the numerous events scheduled for the holiday season.

Next Sunday will see the home-coming of a large number of our young people who have been away at school, or working at their various callings. Almost every home in the community is preparing to welcome a returning member.

The favorable weather has made it possible for the surveying crew to make rapid progress with their work. Grade stakes have been set from the ranger station to Sherburn's. The roadbed will be widened and straightened, and the grade will be improved to not exceed six per cent. The crew expect to complete their work before Christmas.

ALLEGED OFFICER IS SENTENCED TO JAIL?

Man Claiming To Be A County Spotter Was Held Over Night

A man named Frank McClendon visited Willits last week, posing as a representative of the sheriff's office and alleging he was in Willits to obtain evidence against alleged bootleggers. The man asserted he had with him the wife of one of the men he had arrested for dry law violation and in talking to Willits people insisted he was there to get evidence and demanded all law-abiding people aid him in his work.

Drank Too Much Liquor.

After being about town some time he was observed to be badly intoxicated and people avoided him. Later in the night Mr. McClendon visited the home of C. Sponamore where, it appears, his wife was. The alleged sleuth demanded to see Mrs. McClendon and when he was denied admittance to the house threatened to do a lot of killing, if any officer was called.

Placed In Jail.

Despite the threats of Mr. McClendon an officer was called and the warlike man was taken to jail where he remained all night. Next morning Mr. McClendon was allowed to plead guilty and was sentenced to 90 days in the county jail.

Was Given A Chance.

The sentence was suspended with the understanding the first time the convicted man was apprehended drinking or disturbing the peace in any manner the sentence must be served.

Harry Gilmore and Floyd Moffitt returned home Sunday evening to pass the holidays with their parents following the close of the University of California.

MISS FAY LANPHIER VISITING OLD HOME

"Miss America" To Be In Mendocino During Holiday Season

TO SHOW GOWNS

Christmas eve at Mendocino there will be a grand ball given and, as an added attraction, Fay Lanphier will appear on the stage during the evening and exhibit the various costumes worn by her during her Eastern trip. It is expected a record crowd will be present for the event.

Miss Fay Lanphier, who gained national fame when acclaimed "Miss America" at Atlantic City last summer, has come back home to Mendocino county where she was born and will be the guest of her aunt at Mendocino for the holiday season. The distinguished young lady is accompanied by her mother. A younger sister has been on the coast for some time.

Royally Greeted On Return.

Miss Lanphier and her mother arrived in San Francisco Sunday afternoon direct from New York and was royally welcomed at the Ferry building by representatives of civic organizations and escorted to the Hotel Whitcomb. The California Greys, of which she is an honorary colonel, had intended to turn out but this arrangement was changed because of the drenching rain which fell that afternoon. She spent the day at the hotel with members of her family and relatives and friends from Mendocino who drove down to meet her. In this party were her aunt, Mrs. Henry Swanson, and Mrs. H. J. Stuer, of Mendocino, and her cousin, Lester Olsen, of Caspar. Monday was passed in Oakland resting from the fatigue of the long transcontinental journey. Tuesday Miss Lanphier was the guest of honor at a reception given by the Oakland Press Club with an elaborate luncheon at the club's headquarters. Wednesday she left for Mendocino with the party which had gone down from there. She will enjoy a good rest here after her long trip and Eastern engagements.

Appears In Pictures.

After the first of the year she goes to New York where she is to witness the filming of a first play, "The American Venus," in which she plays the star role. This picture was made by the Paramount Picture Corporation. If it proves a success she will likely sign a contract with these picture producers.

Is An Athlete.

This young lady who has quite taken the country by her charm has always had a penchant for athletics and plays basketball, tennis, handball, rides, skates and swims. She is a stenographer of no mean ability. She does not care particularly for parties and is of a studious bent. Her success has not turned her head, and this no doubt has had a lot to do with her great popularity.

CITATION

In the Superior Court of the State of California, in and for the County of Mendocino.

The People of the State of California, Plaintiff, vs. One Chevrolet Roadster Automobile; Engine No. 1444263; License issued by Motor Vehicle Department of the State of California for year 1925, No. 381-628, Defendant.

The People of the State of California Send Greeting To: V. Pecchia, Cloverdale, California, and Anderson-Smith Motor Company, San Francisco, and all other persons having an interest in, or claiming to have an interest in defendant automobile above named.

A petition having been filed in this Court on the 4th day of December, 1925, by the District Attorney of the County of Mendocino, State of California, praying for a judgment and decree that said defendant automobile was, and is a common nuisance and that the said defendant automobile be sold by the Sheriff of said county and state according to law; and hearing of said petition having been fixed by this Court for the 18th day of December, 1925, at 10 o'clock A. M. of said day, in the Court room of the Superior Court aforesaid;

You, and each of you, are hereby cited to appear in the said Superior Court of the County of Mendocino, State of California, on the 18th day of December, 1925, at the hour of 10 o'clock A. M. of said day, then and there to show cause, if any you have, why the said petition should not be granted, and an order and decree by this Court made and entered, declaring said defendant automobile a common nuisance and directing that it be sold by the Sheriff of said county and state, and the proceeds of such sale disposed of according to law.

WITNESS:

H. L. PRESTON,
Judge of the Superior Court of the County of Mendocino, State of California.

Bear Found Stripping Apple Trees Is Killed

Nearly every year the extensive orchard of the Caspar Lumber Company attracts one or more bears when apples commence to ripen, and this year proved no exception. Caretaker Storer noticed a bear's tracks in the orchard for some months, Bruin coming once or twice a week at first but finding a plentiful supply of apples he came with more regularity until he was paying nightly visits. He was getting altogether too familiar and friendly and so Mr. Storer secured a trap and set it and about the first night the bear landed in the trap. Mr. Storer easily shot him down. He was a young animal of medium size.

F. E. Mason, business manager of the Mendocino state hospital, accompanied by his daughter, Miss Naomi Mason, was a recent business visitor to Sacramento.

MID-WINTER SPORT

A group of local fishing enthusiasts including Mr. and Mrs. A. F. Weger and family, Mr. and Mrs. L. H. Foster and sons, Mr. and Mrs. Winnie Cox and Mrs. Chester Cox motored to Navarro Saturday evening where they enjoyed the week-end fishing in the Navarro and Garcia rivers. The party exhibited a fine specimen of king salmon as a trophy of the trip. Many enthusiasts of the popular sport from all over the state are visiting the coast section of Mendocino county at present, where the salmon and grill are said to be running in unusually large numbers.

CHRISTMAS DANCE

The hospitality of the E. B. Gibson home was extended Kosmos Club members upon the occasion of the meeting Thursday evening. A dramatic presentation included two one-act plays, both of which were coached and directed by Mrs. Alfred Pioda, chairman of the dramatic section of the club. The players were Mrs. Alice Bertsch, Mrs. G. F. Shire, Mrs. Harold Holliday, Mrs. Therese Ray, Mrs. Lilburn Gibson, Mrs. L. H. Foster and Mrs. Bessie Cox and the playlets were "Clay Feet" and "The Bride's Departure." The productions were staged in the music room on the second floor and Mrs. Pioda was at the piano for the music that accompanied the production. At the business meeting, Mrs. Lilburn Gibson presiding, plans were completed for the dance which the club will give on Christmas night at the school auditorium. Tickets, which are already on sale, will be $1.00 per couple. Music will be by the Blue Lakes Five orchestra. The patronesses for the affair are Mrs. Frank La Porte, Mrs. G. E. Jamison, Mrs. E. B. Gibson, Mrs. F. M. Wilson, Mrs. Lilburn Gibson, Mrs. Grace Emery, Mrs. Alfred Pioda, Mrs. Harold Holliday and Mrs. Alice Bertsch.

FOR BRIDGE CLUB

One of the delightful small affairs of last week was the bridge luncheon which Mrs. F. E. Gilmore gave complimentary to the members of the Fortnightly Bridge Club Wednesday afternoon at her home in North State street. The table decorations savored of the Christmas holiday with a low bowl of toyon berries and brilliant foliage as a central decoration, and place cards, candle light and other appointments carrying out the cheery tones of the Yuletide. In the absence of Mrs. Guy Redwine and Mrs. F. E. Rea, Mrs. E. S. Masters and Mrs. S. L. Rea substituted and the latter won the score favor.

JUVENILE BIRTHDAY

Dainty little Miss Marian Hansen entertained a group of school and neighborhood friends very happily on Monday afternoon in honor of her seventh birthday. The small miss was very materially assisted in the duties of hostess by her mother, Mrs. J. H. Hansen, and the family home in South Oak street rang merrily all afternoon to the happy voices of the children. The color scheme for the party was pink and the favors in keeping with the Christmas holidays. Those who shared in the pleasure of the afternoon were Elaine James, Jessie Hansen, Alberta and Lorene Mankins, Betty Brazier, Elinor Schneider, Katherine Gilmore, Louise Ford, Doris and Barbara Moulton, Arden Gibson, Ernest Banker, Richard Day and Jack Hansen.

CULTUS CLUB

The Cultus Club met Tuesday evening of last week at the home of Mrs. Alfred Pioda in the last meeting of 1925. Mrs. Frank Reynolds presided and roll call responses were original Christmas poems. The feature of the literary hour was the review of the Anglo-Saxon epic poem, "Beowulf," which was charmingly told by Mrs. Floyd Banker and Mrs. Hale McCowen. Christmas carols were sung by Miss Gladys Anker and the program hour closed with the unison singing of "Silent Night." The Pioda home was charmingly decorated in glowing suggestions of the holidays and a dainty two-course supper was served by Mrs. Pioda.

ALL-DAY SESSION

The ladies of the combined Methodist churches of the city will hold an all-day session Thursday upon the occasion of the December literary tea of the Missionary Society. The affair will include a business meeting, a noontime luncheon, two hours of stitching for church funds and the regular literary program which deals with missionary subjects.

FOR VISITOR

In honor of her house guest, Mrs. Fred Rupley, of Auburn, Mrs. Floyd Banker entertained at a bridge luncheon Wednesday afternoon of last week at The Palace Hotel. Those asked to meet Mrs. Rupley were Mrs. Lilburn Gibson, Mrs. Earl Cox, Mrs. W. A. Thornton, Mrs. Harold Holliday, Mrs. Follette Morris and Mrs. Pierce Stipp.

VISITED HERE

Active plans are under way for the spectacular pageant which the United Methodist Sunday schools of this city will stage Thursday evening, December 24, at the school auditorium. The various choruses and principals are being coached by Mrs. Daisy Richey and Miss Una Raffety and the affair promises to be the most important observance of the Yuletide season in this city.

Mrs. T. W. Maguire, who has been ill for several weeks, is somewhat improved at present but still unable to be out.

Fyr-Fyter Tests In The City Are Satisfactory

Early in the week C. W. Ingle made a test at extinguishing gasoline saturated rubbish, using a small type Fyr-Fyter, for which Mr. Ingle is agent. The fire was put out readily and the efficiency of the extinguisher was proven in every way. It is stated the fire department officials strongly favor the Fyr-Fyter.

been transferred to the federal court the fines, if any convictions are obtained, will go to the government treasury and Mendocino county will be in the position of standing all of the expense and getting none of the fines.

May Be Another Reason.

It is not at all unlikely, however, that the reason the cases were taken to Sacramento arose from the fact recent trials of alleged dry law offenders in Mendocino county resulted in "not guilty" verdicts being returned by Mendocino juries, because the evidence in the cases was not considered strong enough to warrant conviction votes upon the part of the individual members of the various juries trying the accused men, and the arresting officer may have concluded he may fare better elsewhere than here at home.

Taxpayers Hit Again.

In any event this county now occupies the unique position of having cases worked up against offenders by officers paid from county funds provided by Mendocino county taxpayers and the cases then taken to another county for trial and whatever fines are imposed being turned over to the federal treasury.

NOTICE OF ESTRAY

Notice is hereby given that within five days prior to the filing of this notice with the County Recorder of Mendocino county, California, I found upon those certain premises in said county known as the "Rawles Stock Ranch," situated about 3½ miles northwest of Boonville, to which premises I have the right of possession, the following estray domestic animals, to-wit: One three-year-old red and white spotted steer with swallow fork in left ear and split in right ear, unbranded, of the probable value of $25; also one three-year-old red steer with crop and under bit in right ear and under slope in left ear, branded "Bar C" on left shoulder, of the probable value of $25.00; also one red white-faced cow with crop and under bit in right ear and upper bit in left ear, branded "Bar C" on left shoulder, of the probable value of $25.00; that said animals are now confined on my premises above described; that I do not know the name of the owner of any of said animals, nor are they in charge of any person except myself;

If no person appears and claims said animals within thirty days after the filing of this notice with the County Recorder, I will on the fourth day of January, 1926, deliver the same to the Constable of Anderson township in said county, for sale by him, pursuant to an Act of the Legislature of the State of California, approved March 23, 1901, and amendments thereto.

Dated November 26, 1925.

A. N. RAWLES.

State of California, County of Mendocino, ss.

On this 26th day of November, in the year One Thousand Nine Hundred and Twenty-Five, before me, Byron G. Gowan, a Notary Public, in and for the said County of Mendocino, personally appeared A. N. Rawles, known to me to be the person whose name is subscribed to and who executed the within instrument, and he duly acknowledged to me that he executed the same.

In witness whereof, I have hereunto set my hand and affixed my Official Seal, at my office in the County of Mendocino, the day and year in this certificate first above written.

BYRON G. GOWAN,
(SEAL) Notary Public in and for the County of Mendocino, State of California.

Filed at the request of W. D. L. Held, November 30, 1925, at 35 minutes past 9 A. M. in Pouch B, Records of Mendocino County.

JAMES R. ELDER,
27-4c County Recorder.

Ferry Slips Are Being Built For Railroad Co.

The Northwestern Pacific Railroad Company is building new ferry slips at its Tiburon terminal, and this leads to the speculation the railroad intends to carry out its plan of routing its auto ferries from San Francisco to Tiburon instead of Sausalito, and thus relieve the congestion of traffic at that point. The Tiburon route would shorten the trip to San Francisco considerably and would have the effect of increasing traffic to this side of the bay because of increased facilities.

James Mannon, who is attending Stanford University, was here last week to attend the dinner on the occasion of the golden wedding anniversary of his grandparents, Judge and Mrs. J. M. Mannon.

6 Double Holidays In The Coming Year

Week-end outings with an added day thrown in will be in vogue during 1926, a glance at the new calendar discloses. There will be a half dozen double holidays during the year, six holiday dates falling either on Saturday, Sunday or Monday and thereby adding a day to the week-end. Look at your calendar and see that Washington's birthday falls on Monday, which makes a holiday from Saturday to Tuesday. Memorial Day falls on Sunday and will no doubt be formally observed on Monday. July Fourth also falls on Sunday and will no doubt be observed as a holiday on Monday. Labor Day always falls on the first Monday of September and there you are again. Christmas and New Year's days fall on Saturday, and these are two more double holidays.

Attorney Frank W. Taft, of Willits, was here looking after legal matters Tuesday.

Seized Wine Is Held Exempt From Taxes

There is a way out of paying taxes on wine now, and that is to have the wine stocks seized by the government. Heretofore such wine was not exempt from taxes and the luckless owner not only lost the juice of the grape but had to pay taxes on the liquid even when he didn't have it. By a ruling anounced Monday by U. S. District Attorney George J. Hatfield, of San Francisco, a new policy is inaugurated by the government. Bonded winery owners whose stocks have been received will not be required to pay a tax on the wine in case its destruction is ordered. Heretofore in such cases the government has brought suit under the internal revenue act to compel the winery owner to pay a tax of 16½ cents a gallon.

COAST RANCH SOLD

R. Lang, of San Francisco, has sold his ranch, formerly owned by Andrew McDonald, to E. J. Wagner who will make a dairy farm of it. Mr. Wagner is already there and brought 14 fine cows with him. E. P. Rasmussen, who lived there, it is understood, will move to the Costello ranch.

SEND THEM

Send in your white automobile license together with the fee at once. The licenses become delinquent on February first.

South Coast Rancher Particularly Unlucky

A. O. Stornetta, of Manchester, suffered a broken leg while working on his ranch Thursday. The injured man was removed at once to Redwood Coast Hospital where the attending physicians reduced the fracture and at the present time he is doing nicely. It was not learned how the accident occurred but it is stated this is the second time Mr. Stornetta has had the same leg broken within a space of a year.

Mrs. A. Mendenhall, of Upper Lake, was here shopping Friday last.

CONQUEROR OF THE MONGOLIAN WILDS

Dr. Roy Chapman Andrews, who startled the world a few years ago by discovering a nest of dinosaur eggs ten million years old, arrived in New York on November 9th from his Third Asiatic Expedition under the auspices of the American Museum of Natural History.

Again he attributes much of the success of his expedition to the astounding performance of his five Dodge Brothers Motor Cars.

Following is a direct quotation from an official statement by Dr. Andrews upon his return to America:

> The Gobi Desert in Mongolia is the most extensive undeveloped and unexplored region now left in the world. Until a few years ago it was retarded by the impossibly slow traffic of camel trains, the only means of communication.
>
> But now it is being crisscrossed in every direction by motor cars, or, more correctly by one motor car, the Dodge. Sixty or seventy Dodge Brothers cars are making regular trips far into the interior of this vast waste, bringing out loads of sables, precious furs, wool and other products.
>
> No other car except the Dodge is found there because we have tried it out on each of our three expeditions and have had it demonstrated to our satisfaction that *the Dodge is the only car that will stand up under the strain of the roadless desert and do everything we ask of it.*

Few people have occasion to subject their motor cars to punishment of this severity. It is reassuring, however, to know that in emergencies Dodge Brothers Motor Car is built to meet the test.

These dependable and sturdy qualities also account for the fact that more than 90% of all the motor cars Dodge Brothers have built during the past eleven years, are still in active service.

Christmas Spirit On In Redwood Valley Now

(Special Correspondence of The Press)

REDWOOD VALLEY, Dec. 14.—Mr. and Mrs. Chas. Gillette, of Oklahoma, are guests at the home of Mr. and Mrs. Henry Belveal.

Mrs. Myrtle Buchanan, of Guerneville, is enjoying a visit of two weeks duration at the home of Mr. and Mrs. C. R. Yarbrough.

Wednesday Mr. and Mrs. A. W. Simmons, who had been visiting at the home of Mr. and Mrs. Nels Nelson, left for their home in Los Angeles. They motored down and were accompanied by Mrs. Nelson, who is a sister of Mrs. Simmons. Mrs. Nelson will visit relatives and friends in Los Angeles, Santa Ana, Kingsburg and other places before returning to her home here sometime after Christmas.

The Redwood Valley Grange re-elected John Finne as master of the local Grange for the coming year.

Mr. and Mrs. Clifford Smith are entertaining Mr. Smith's mother.

C. W. Gohlson has been appointed a school trustee to fill the vacancy left on the board when Joe Laforet moved out of the community.

On the evening of Friday, Dec. 18, the community Christmas tree festivities will be held at the school auditorium. The school children will present a Christmas play which has been directed by the local teachers. It is hoped every child in the community will be present to receive something from the tree, but if it is impossible for some to be there, if they will send their names to Mrs. C. H. Wilkinson or to Mr. Hardwick before the program Friday evening, something will be laid aside and saved for them. Now do not forget, children. If you must be absent from the exercises Friday evening, and if you want your Christmas sack, send your name to Mrs. Wilkinson or to Mr. Hardwick before the program. Otherwise you may be disappointed.

On the evening of Tuesday, Dec. 8, the local Farm Center held its regular business meeting in the auditorium of the school house. After the usual business meeting, officers for the new year were elected as follows: Chairman, Ernest Banks, vice-chairman, E. W. Sprague; secretary-treasurer, T. M. Jamison; director, C. R. Yarbrough; alternate director, Alex Kauhanan.

After R. D. Foote, assistant county farm advisor, and L. L. Hooper, county president of the Farm Bureau, had addressed the meeting, a well-received program was rendered. Vincent Giorno, of Ukiah, David Robertson, of the Scotch colony, and Mr. Weir, of Ukiah, sang solos, each being accompanied by Mrs. C. H. Wilkinson, and for an encore she rendered a piano solo. The Misses Alyce and Hariette Finne presented a very effective pantomime, while Vincent Giorno sang "The Bridge," accompanied at the piano by Mrs. M. A. Smith. At the close of the evening light refreshments were served.

5000 Refrigerator Cars For Southern Pacific

A. V. Stevenson, traveling freight and passenger agent of the Union Pacific system, was in Ukiah Monday and brought with him details of the placing of an order for 5000 refrigerator cars by the Union Pacific controlling companies—The Southern Pacific. The outlay stands the railroad company something like $16,000,000 and with the new cars gives the corporation 38375 refrigerators. The addition of the big order of rolling stock will greatly aid in shipping fruits and grapes from California, as the order is conditioned upon the cars being delivered by September next.

IS GETTING BETTER

George Vevoda is one of the many who were forced to give up business and remain at home and take care of a violent case of influenza the past week. Mr. Vevoda is much better now, reports are.

On next Sunday afternoon at 2:30 o'clock there will be a Christmas service held in Improvement Club hall. Everett Holland, of Ukiah, will preach a short Christmas sermon, and we are expecting something special in the way of music. There will be a short program given by the children of the Sunday school, and we are anticipating Santa Claus will be there in person. Everyone, both young and old, is cordially urged to be present.

STAGE LINE PERMIT HAS BEEN REFUSED

State Commission Has Turned Down Hoplander's Request

According to the San Francisco papers the state railroad commission has denied the application of Charles Kuppinger, operating under the name of Charles Kuppinger Company, for a certificate to operate auto freight service between San Francisco and Kelseyville, Lakeport and Upper Lake and between Petaluma, Kelseyville, Lakeport and Upper Lake, and between Santa Rosa and Kelseyville, Lakeport and Upper Lake.

Is Now Operating.

Mr. Kuppinger now operates truck freight service between Hopland, Ukiah and Lake county points.

CATHOLIC LEAGUE MEETING

The Ladies League of St. Mary's Catholic church will meet tomorrow at St. Mary's hall and a full attendance is urged.

FAMILY CAT SAVED SIX LIVES RECENTLY

Pet In A Household At Point Arena Awoke Mother In Time

A fire after midnight Sunday destroyed the dwelling house on School street, Point Arena, occupied by Martin Sauers and family. Mr. Sauers was not at home at the time and Mrs. Sauers and children had retired for the night to be awakened hurriedly by the crying of the family cat, and on getting up and investigating found the house on fire, having evidently caught from the fireplace as the floor and sides around it were ablaze. Mrs. Sauers found the front door open, which had been blown open during the night by the heavy windstorm.

Showed Much Nerve.

Mrs. Sauers rescued her five small children who were asleep in an adjoining bedroom. At the time the fire was discovered the house was filled with smoke but, showing great presence of mind Mrs. Sauers went about her rescue work. Going into the room where the children were, Mrs. Sauers closed the door behind her and, raising the window, dropped the little ones on to the ground a shor tdistance beneath and then sought safety by climbing out of the window.

Prior to this the children had been sleeping upstairs. With the little ones safe, though crying and chilled by the wind and rain, Mrs. Sauer's next problem was to sound an alarm. But how? She was afraid to leave the children for fear they would run back into the burning building, but finally took them out to the street, and by that time the curtains in the front windows were ablaze. Mrs. Sauers left the children standing in the street and ran down a few doors to the Jackway home and gave the alarm. The fire department, with the chemical engine, responded quickly but the building was destroyed.

Willits Baby Poisoned After Swallowing Pills

Patricia Rose Haskett, small daughter of Mr. and Mrs. V. G. Haskett, of Willits, was poisoned fatally Friday last. By some unknown manner the little victim got into a suitcase her mother had been packing and ate an antiseptic tablet. The baby died about an hour later. The greatest sympathy is expressed for the distressed parents. Mr. Haskett is employed by the Redwood Company and Mrs. Haskett conducts a beauty parlor at Willits. The funeral of the baby was held from the Methodist church on Sunday.

ORDER TO SHOW CAUSE ON APPLICATION TO CHANGE NAME

In the Superior Court of the State of California, in and for the County of Mendocino.

In the matter of the application of Rex Drug Company, a corporation, to change its corporate name.

Rex Drug Company, a corporation duly created, organized and existing under and by virtue of the laws of the State of California, having filed in this court an application praying for an order to change the corporate name of said corporation to Duncan Drug Company,

It is therefore hereby ordered, that all persons interested in said matter be and appear before this court at the Courtroom in the county courthouse at Ukiah, California, on Friday, the 15th day of January, 1926, at 10 o'clock A. M. of said date to show cause, if any they have, why the said application for change of name should not be granted; and

It is hereby further ordered that a copy of this order to show cause be published for four successive weeks before said hearing in The Ukiah Republican Press, a newspaper of general circulation printed and published in the said county of Mendocino.

Dated: December 11, 1925.

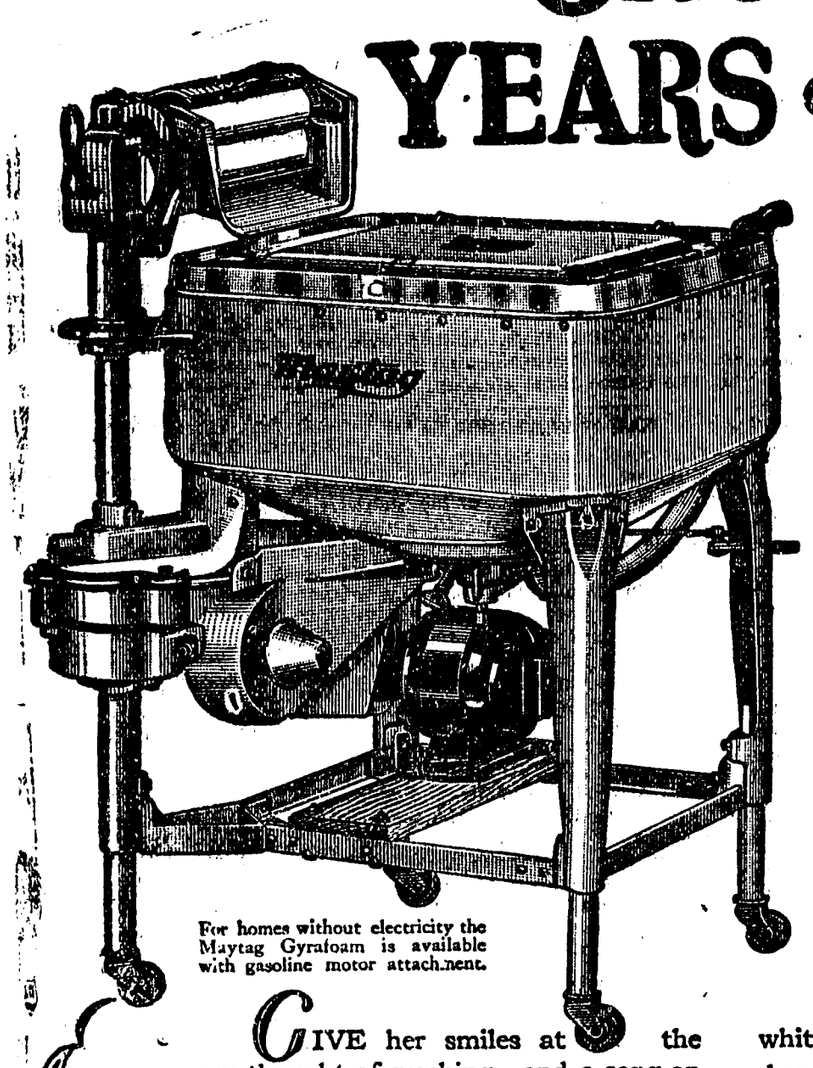
Give Her YEARS of Happiness



For homes without electricity the Maytag Gyrafoam is available with gasoline motor attachment.

9 Outstanding Maytag Features

1—Washes faster. The Gyrafoam Principle creates a more highly energized, turbulent and continuously effective water action. No idle water.
2—Washes cleaner. The Gyrafoam Principle mixes the soap evenly through the water, and forces the super-cleansing, soapier washing solution through the meshes of the clothes. No idle suds.
3—Largest hourly capacity in the world—50 lbs. ordinary family wash per hour.
4—Most compact washer made—takes floor space only 25 inches square.
5—Cast aluminum tub—can't warp, rust, rot, swell, split nor corrode.
6—Easily adjusted to your height, and height of tubs.
7—Clothes can be put in or taken out while washer is running.
8—Tub cleans itself in thirty seconds.
9—Metal swinging wringer. Low. Swings into 7 positions. Adjusts itself automatically for handkerchiefs or blankets. Automatic drainboard. Instant tension-release. All parts enclosed.

9 Reasons for World Leadership

GIVE her smiles at the very thought of washing—and a song on her lips when she does it.

Give her the gift of a genius—a gift that's been snatched from the future.

Realize—if you can—what it will mean to her to come downstairs on Monday—lend a hand here, a hand there and soon her whole week's washing's done. It's play compared to what her getting-the-wash-out-hours have been.

Can you appreciate what this means:—"a tubful of clothes hygienically snow-white in from 3 to 7 minutes," "50 lbs of dry clothes washed an hour," or this—"no handrubbing necessary on wristbands, neckbands, or collars?" *You* may not fully appreciate such remarkable laundering performance, but *she* will *and quickly*, too. There's *only one washer in the world* whose principle provides such startling efficiency—a washer which in 600 days has swept into world leadership—and that's the Maytag Gyrafoam! *You couldn't give a finer gift*—nor one so emphatically practical.

Does Your Loud Speaker Say "Ess" or "Eth"

The usual garbling of sound by loud speakers is overcome by the new Grebe "Colortone"

THE sounds that come from the Synchrophase are independent of loud speaker control. The proper adaptation of speaker to set is no longer necessary for satisfactory reception.

By means of the Grebe *"Colortone"* you can vary, to your taste, the quality or timbre of voice or music from high, thin pitch to low, deep, round tones. You can also bring out low tones that would otherwise be inaudible, and eliminate, to a great degree, hissing sounds and the usual form of scratchy static—"S" sounds like "S" and "H" like "H". In the Synchrophase, artificiality of sound—the bane of radio reception—gives place to true, natural tones.

Add to this Grebe development, other exclusive Grebe features, and you get in the Synchrophase, radio reception unapproached in quality. Consider, for example:

The *"Selective Sensitivity"* conferred by Grebe *Binocular Coils.*

One-dial operation. Because of the *Flexible Unit Control,* one dial operates two or all three dials (they can also be set separately).

Ease in accurate tuning by means of Grebe *S-L-F Condensers* on whose dials all stations have equal spacing.

Complete, continuous range of volume, without change in naturalness of sound through the Grebe *Volume Control.*

Ask for a demonstration—then compare with other sets
